WISE OWLS HOLIDAY CLUB

Junior Club

Children ages 3-6 years love our Junior Club because they have the freedom to explore a wide range of activities to suit all interests. Our qualified childcare practitioners thoughtfully plan activities and trips that are not only fun, but help young children develop essential skills.

Discovery Club

Children ages 7-14 years go on a daily journey of discovery, pushing their personal limits using critical thinking skills in group challenges, to building new friendships and challenging themselves physically with new experiences.

Wise Owls Holiday Clubs are always action packed and children return time and time again because they have so much fun in a safe, relaxed environment with their friends. It is our main priority that every child in our care feels happy, safe and has an enjoyable day with us.

We are so excited to launch our 2025 February half-term holiday club programme. Our February timetable has been thoughtfully planned by our qualified childcare practitioners to be age appropriate and provide diverse experiences. Each day, children can choose to take part in a wide variety of sports and physical activities like basketball, football, skipping, bouldering, bench ball and more, as well as a wide selection of activities such as arts and crafts, baking, group games and some really exciting trips. On top of all the planned activities, there is a pool table, foosball table, a chill out zone, a selection of board games, colouring in, Lego, dress ups, junk modelling and more.

Highfield School has two large outdoor play areas and two sports halls giving us access to first class facilities over the holidays. The school is within walking distance of Grenfell Park allowing us to arrange picnics and other outdoor activities.

bottle in a
named bag.

JUNIOR: 3-6 YEARS

TIME: 8:30AM-5:30PM

COST: £39.50 (extra for outings & special events)

Get ready for a magical world of underwater delights as we deep dive into a week of fantastic activities that will keep your children engaged, busy and active all week long.

In the morning all week, there will be a Sea Life creative art station with tons of creative projects including Jelly Fish Cups, marine life painting, colouring, dress ups and junk modelling whales. There will be a daily trip to the park for some fun games like 'The Floor is Lava' and 'Tag'.

On Monday, we will make Jelly Fish cups, paint sea life using a range of materials, create start fish pictures using honey hoops, bake Under the Sea shaped biscuits, make 3D shells with pearls & an aquarium in a bottle. We will finish off the day with a group game 'Stuck in the Water'.

On Tuesday, we will design mermaid shell frames, play with sand & water filled with sea life creatures, make croissant crabs filled with cheese or ham. We will create fishbowl pictures, make crabs out of paper plates and an ocean in an egg carton. At the end of the day we will enjoy a game of 'Sleeping Sharks'.

On Wednesday we will start by making fish pom pom pictures and sea snail mini sausage rolls. In the morning, we will take a trip on foot to Pets at Home to meet some marine life and other animals. We will make jelly fish paper plates, coral bead necklaces and octopus sensory bottles in the afternoon, as well as spend time in outdoors playing sport and an Under the Sea group game.

On Thursday, we will kick off the day making handprinted 'under the sea' puppets and a group project making and decorating a giant whale from cardboard boxes. We will create sea life pizzas and bread. We will design sea life coasters with Hama beads and sharks from paper plates, and we will finish the day playing 'Guess the Sea Animal'.

On Friday, there will be an exciting sea foam sensory tray and a grape seaweed activity to kickstart the day. We will make sushi sandwiches and after lunch we will do a sea life string painting, make shark marshmallow pops and enjoy an animal imitation game at the end of the day.

Every day, our Juniors will also have the chance to enhance their creative, sensory, and physical skills with a variety of tuff trays filled with ice, sand, water, and mud. They'll build dens, conjure up mystical potions with natural resources found on our daily park trip, and more. In addition to the planned activities, children can enjoy a plethora of other activities at their leisure. We have playdough, board games, puzzles, Lego, water and sand play, construction toys, sports equipment, a designated reading corner, and arts and crafts galore. We will visit the local park each day to enjoy games and free time on the play equipment (weather permitting).

IMPORTANT REMINDER: Please pack a named water bottle in a named bag.

DISCOVERY: 7-14 YEARS
TIME: 8:30AM-5:30PM
COST: £37.50 (extra for outings & special events)

This February half term, join us for an exciting week at the Great Wise Owls Bake Off, where aspiring young chefs will whisk, roll, and bake their way to culinary greatness! Designed for ages 7-14, our Discovery holiday club offers budding bakers a chance to develop their kitchen skills, spark their creativity, and enjoy friendly competition in a fun and supportive environment.

On top of all this, we will also enjoy lots of free-time in between scheduled activities where they can just chill out with friends, play board games, colour in, Lego competitions, group games, junk modelling and more.

On Monday, the schedule is packed with opportunities for kids to explore their creativity, learn new skills, and enjoy time with friends. On Monday, kids will bake cheese and onion pasties, experiment with puffy paint, and conduct a science-inspired baking experiment with cupcakes before making Twix-inspired biscuits. 🍪

Tuesday takes us on an exciting London adventure! We'll explore M&M World, the Lego Shop, and enjoy a McDonald's treat before burning off energy in Hyde Park. A full day of fun in the capital awaits!

On Wednesday, the day begins with a hands-on cooking session as we learn to make homemade croissants and mini sausage rolls. From rolling out dough to creating flaky, golden pastries, young chefs will master the art of these delicious classics, which we'll enjoy for lunch. After our baking session, it's time to head outdoors to the local park. After lunch, it's back to the kitchen to bake cheese crackers.

Thursday at the Great Wise Owls Bake-Off is packed with fun! The day kicks off with baking mini cheesecakes for dessert, followed by creating personalised pizza bread for lunch. After a visit to Oaken Grove Park for a picnic and playtime, we'll dive into colourful baking soda art. The day ends with playground games like football, ensuring a perfect mix of creativity, activity, and outdoor fun!

Friday wraps up the week with culinary fun, exciting outings, and engaging activities! The day starts with sushi-style sandwiches, where kids roll creative wraps, followed by crafting salt dough cinnamon rolls to shape and decorate. A trip to the cinema offers a relaxing movie break, and back at club, kids will enjoy a fizzing strawberry ice cube experiment to explore chemical reactions. The day ends with energetic mixed sports and group games in the playground—an exciting finish to a fantastic week!

WISE OWLS HOLIDAY CLUB

GET READY FOR ACTION?

Our Wise Owls Clubs are all about making life easier for parents and exciting for children!

Our club is a fun & familiar home away from home - without the tech! Our dedicated staff are compassionate carers to all the children in our care; fostering a supportive and inclusive atmosphere where children are free to be themselves.

We offer a safe space to play, explore and grow. A place where children laugh out loud every day. We have a wide variety of thoughtfully planned activities tailored to excite, challenge and motivate children aged 3 to 14 and to suit all interests.

Our approach is child-led, so while we will provide encouragement, we respect each child's choices and support them in the activities they choose to participate in. We are passionate about promoting well-being and believe every child should enjoy play and physical activity outdoors every day.

DROP OFF & COLLECTION

The fun begins at 8:30am and ends at 5:30pm. Upon arrival, children will be grouped by age and will have some free playtime at the start of the day to explore the array of activities on offer. Once all the children have arrived, we will get to know each other, explain the programme for the day, and discuss housekeeping matters. If you plan to pick your child up early, please let staff know in advance as we may be at the local park! Kindly make sure to pick up your child before the club closes.

WHAT TO WEAR / WHAT TO BRING

Come dressed ready for action and be comfortable! At Wise Owls, we love to spend time outdoors, so during the colder months, please make sure you wear something warm and bring a coat and woolly hat (clearly labelled). Wear suitable footwear for running around, climbing over play equipment, walking (in particular for outings) and in winter, getting muddy. In spring and summer, please ensure you have a hat. We often get messy, so a change of clothes is always a good idea! Please bring a labelled water bottle every day.

MEALS & NUTRITION

You can pre-order a daily meal at the point of booking or your child can bring a packed meal. Pre-ordered meals will consist of a healthy morning snack, and a two-course meal served for lunch at 12pm and for tea at 4pm. At least one hot meal is provided each day, often two depending on the daily programme. We aim to provide children with a healthy, balanced diet. If your child is bringing a packed lunch, please provide enough food to keep them well nourished for a long & active day (including a morning snack, lunch and tea) *We operate a nut free environment, so please do not bring any products containing nuts.

WHAT ACTIVITIES WILL YOUR CHILD DO AT CLUB?

Our approach to activities is child-led so children have the choice which activities they want to take part in during the course of the day (with the exception of outings). We offer a diverse range of activities to cater to all interests and your child will have the freedom to select which activities they wish to participate in. While we will provide encouragement, we respect their choices and won't force them to engage in activities they are not keen on.

KEEPING YOUR CHILD SAFE

Our team comprises of many skilled and experienced childcare professionals. All team members have undergone DBS checks, while our first aiders have received paediatric first aid training. We always maintain regulation staff-to-child ratios to guarantee appropriate supervision of your child. When we leave base camp to discover new and exciting activities, we increase our staff-to-child ratios and risk assess all excursions.

PHONES & ELECTRONICS

Our club is a technology free zone! Yay! Believe it or not, the children LOVE IT! Please do not send your child to club with an electronic device. If you do, it will be kept in their bag and we cannot guarantee the security of the device.
