# WISE OWLS HOLIDAY CLUB

## Junior Club

Children ages 3-6 years love our Junior Club because they have the freedom to explore a wide range of activities to suit all interests. Our qualified childcare practitioners thoughtfully plan activities and trips that are not only fun, but help young children develop essential skills.

## Discovery Club

Children ages 7-14 years go on a daily journey of discovery, pushing their personal limits using critical thinking skills in group challenges, to building new friendships and challenging themselves physically with new experiences.

Wise Owls Holiday Clubs are always action packed and children return time and time again because they have so much fun in a safe, relaxed environment with their friends. It is our main priority that every child in our care feels happy, safe and has an enjoyable day with us.

We are so excited to launch our Holiday Club programme. Our timetable has been thoughtfully planned by our qualified childcare practitioners to be age appropriate and provide diverse experiences. Each day, children can choose to take part in a wide variety of sports and physical activities like basketball, football, skipping, bouldering, bench ball and more, as well as a wide selection of activities such as arts and crafts, baking, group games and some really exciting trips. On top of all the planned activities, there is a pool table, foosball table, a chill out zone, a selection of board games, colouring in, Lego, dress ups, junk modelling and more.

Highfield School has two large outdoor play areas and two sports halls giving us access to first class facilities over the holidays. The school is within walking distance of Grenfell Park allowing us to arrange picnics and other outdoor activities.

We hope you enjoy browsing  
through our programme.  
Bookings must be made online.

# WISE OWLS HOLIDAY CLUB

## GET READY FOR ACTION?

**Our Wise Owls Clubs are all about making life easier for parents and exciting for children!**

Our club is a fun & familiar home away from home - without the tech! Our dedicated staff are compassionate carers to all the children in our care; fostering a supportive and inclusive atmosphere where children are free to be themselves.

We offer a safe space to play, explore and grow. A place where children laugh out loud every day. We have a wide variety of thoughtfully planned activities tailored to excite, challenge and motivate children aged 3 to 14 and to suit all interests.

Our approach is child-led, so while we will provide encouragement, we respect each child's choices and support them in the activities they choose to participate in. We are passionate about promoting well-being and believe every child should enjoy play and physical activity outdoors every day.

### DROP OFF & COLLECTION

The fun begins at 8:30am and ends at 5:30pm. Upon arrival, children will be grouped by age and will have some free playtime at the start of the day to explore the array of activities on offer. Once all the children have arrived, we will get to know each other, explain the programme for the day, and discuss housekeeping matters. If you plan to pick your child up early, please let staff know in advance as we may be at the local park! Kindly make sure to pick up your child before the club closes.

### WHAT TO WEAR / WHAT TO BRING

Come dressed ready for action and be comfortable! At Wise Owls, we love to spend time outdoors, so during the colder months, please make sure you wear something warm and bring a coat and woolly hat (clearly labelled). Wear suitable footwear for running around, climbing over play equipment, walking (in particular for outings) and in winter, getting muddy. In spring and summer, please ensure you have a hat. We often get messy, so a change of clothes is always a good idea! Please bring a labelled water bottle every day.

### MEALS & NUTRITION

You can pre-order a daily meal at the point of booking or your child can bring a packed meal. Pre-ordered meals will consist of a healthy morning snack, and a two-course meal served for lunch at 12pm and for tea at 4pm. At least one hot meal is provided each day, often two depending on the daily programme. We aim to provide children with a healthy, balanced diet. If your child is bringing a packed lunch, please provide enough food to keep them well nourished for a long & active day (including a morning snack, lunch and tea) \*We operate a nut free environment, so please do not bring any products containing nuts.

### WHAT ACTIVITIES WILL YOUR CHILD DO AT CLUB?

Our approach to activities is child-led so children have the choice which activities they want to take part in during the course of the day (with the exception of outings). We offer a diverse range of activities to cater to all interests and your child will have the freedom to select which activities they wish to participate in. While we will provide encouragement, we respect their choices and won't force them to engage in activities they are not keen on.

### KEEPING YOUR CHILD SAFE

Our team comprises of many skilled and experienced childcare professionals. All team members have undergone DBS checks, while our first aiders have received paediatric first aid training. We always maintain regulation staff-to-child ratios to guarantee appropriate supervision of your child. When we leave base camp to discover new and exciting activities, we increase our staff-to-child ratios and risk assess all excursions.

### PHONES & ELECTRONICS

Our club is a technology free zone! Yay! Believe it or not, the children LOVE IT! Please do not send your child to club with an electronic device. If you do, it will be kept in their bag and we cannot guarantee the security of the device.

### FINDING US & CONTACTING US
